SOS Children's Villages is the world's largest orphan charity, caring for children who have been orphaned or abandoned as a result of conflict, famine, disease, poverty or natural disasters, such as the Asian tsunami and the Pakistan earthquake. Over 78,000 children are receiving long term care in over 500 of our SOS Children's Villages around the world. We provide a further million with medical care, schooling, vocational training, AIDS outreach support and emergency aid.
